Name: First: \_\_\_\_\_ Mid: \_\_\_\_\_ Last: \_\_\_\_\_ Suffix: \_\_\_\_\_

Indicate application type: **Professional Engineer (PE)** ☐ – **Comity**  
**Professional Surveyor (PS)** ☐ – **Comity**

The following 4 questions should be answered in detail **LEAVE NO QUESTION BLANK**. Sign, date and print your name then the completed form may be emailed to [pelsboard@arkansas.gov](mailto:pelsboard@arkansas.gov)

1. Detail the reason you wish to become licensed OR reinstated in Arkansas.

---

---

---

2. Information regarding any project in Arkansas on which you may have performed engineering or surveying services as a subordinate or employee of another licensed Professional Engineer (PE) or Surveyor (PS). Please provide the name of the PE or PS in charge and Arkansas license #. If reinstating, this includes work performed during the period your Arkansas license was not active.

---

---

---

3. The current project or projects in Arkansas on which you contemplate performing engineering or surveying services if the information is not confidential.

---

---

---

4. The status of plans, reports, or plats on any project in Arkansas for which you have been retained as the engineer or surveyor.

---

---

---

5. I certify that I will not offer to practice, contract for, nor provide engineering or surveying services (as defined in the Laws of the State of Arkansas and the Rules of the Arkansas State Board of Licensure for Professional Engineers and Professional Surveyors) on any project in Arkansas until I have been granted a Professional License.

Signature: \_\_\_\_\_ Date: \_\_\_\_/\_\_\_\_/\_\_\_\_

Print Name: \_\_\_\_\_

**Offering To, Contracting For, Or Providing Engineering Or Surveying Services Prior To The Applicant or Firm Becoming Licensed May Be A Violation Of The Laws Of The State Of Arkansas (A.C.A. §17-30-102 Engineering, OR §17-48-201 Surveying) And Rules Of The Arkansas State Board of Licensure for Professional Engineers and Professional Surveyors (Article 16). If A Violation Occurs, The Applicant Or Firm Could be Subject To Disciplinary Action And Fines And/Or Significantly Delay Or Prohibit The Applicant Or Firm From Becoming Licensed.**
